CENTRAL INTELLIGENCE AGENCY
WHITE HOUSE SUPPORT STAFF

Date: July 12, 1974
Item No.: WH #2

DIRECTOR: WHITE HOUSE SITUATION ROOM

SUBJECT: CAMBODIA--THE MILITARY SITUATION

FLD
170 ~~44~~

25X1

Military action throughout most of the country is at a low level. The Khmer Communists have not contested recent government gains northwest of Phnom Penh, and successful government clearing operations have pre-empted Communist plans for attacks just south of the capital. Government forays near the provincial capitals of Takeo and Prey Veng-- south and southeast of Phnom Penh respectively--have also met little resistance.
